Choose from over 1000 locations to visit. Each of these towns have limited cargo to help you out, but you can use your trucks to load the cargo to the limit of your supply. Almost all towns have a stock of goods at their facilities that can be bought, but you need to create enough of them. Each town also has someone they want shipped and will give you a reward if you fulfill that need. If you fail to complete the requirements by a small margin you can keep your reward, but pay for it and get the town's ire. . and the Crates: "What are those weird looking crates. I don't think they're meant to be carried but they can be loaded onto my truck. The town markets are annoying. They have lots of different special crates that don't look like a normal crate. They need to be loaded on to my truck and I have to pay to carry them. That's for the other towns. You have to make sure you are sending the goods you need to the right place." . Navigating: Choose your route carefully. Gauge your cargo supply and try to plan ahead. Try to avoid the towns that are highly populated and those that are in the middle of nowhere. Definitely don't take a detour as that is almost certainly one of the towns is probably in lockdown. . and the Rewards: Special crates to load at every destination. Truck Upgrades: Maintain your truck to get more limited stock and extend it's lifetime for more trips. . and the Achievements: Complete all the towns in the game. Complete all regions in the game. Complete all contracts in the game. Complete all states in the game. Complete all countries in the game. Refueling: Each town will require refueling to get you back on the road again, whether it's simply to top up your supply of fuel or to repair and refuel a truck. . Engine Issues: Truck's engine won't start. Truck's Transmission won't shift. Truck's Tow Brake lights are On. Truck's Engine Fires Up, but Tires are Flat. Truck's Brakes are On, but the Brake Fluid is low. Truck is Stopped at a Checkpoint. Truck has a Mechanical Issue. Truck has an Engine Fire and is not moving. T
