Please keep your eyes on this text so you will know better what we have to do. It has a lot of stuff inside. Hello. I took this car from my mother-in-law. I want to change to the Tomtom map. I bought a Tomtom map. However, I don't know how to open this map. I have the CD-ROM as a.avi file, which can be opened. This file is

very big, so it is difficult to open. TomTom version 4 maps + optional extra 200mb of data (84mb data - 30mb image maps + 54mb maps for usa) You can download one 2MB map or one 4MB map (total 8MB). The 4MB maps are more legible and use less memory. This image contains all the major cities. (ie cities within 100 miles of Chicago) This is a new version of the TomTom Navigator maps (in. This map (called Classic) has all the other cities. This map (called "European") has cities in

Europe. I put 200MB of data into the map files. Download and update the latest maps for your navigation system. Please check this video with the latest maps! Thanks. A big thanks to @Elmer for his work in making new custom maps. Hello, I have attached a new custom map. I have copied all the maps into one.avi file. You can remove all maps which you don't
